linea
mini

**ready to brew anywhere
 for years to come.**

available in seven colours.

dual boilers and PID control

Separate boilers and precise PID temperature control, ensuring that each espresso shot is brewed to perfection.

built-in shot timer

Monitor each shot's precision and consistency.

easy pressure adjustment

Easy access to fine-tune your espresso extraction to exact preferences.

pro touch steam wand

High performing steam wand and PEEK polymer tip that ensures safety and convenience.

extended timeout period

Customise your shot times with pre-infusion, now with an extended timeout period of up to 99 seconds.

barista lights

Led lighting allows you to focus on your extraction and the cup.

hybrid mode (plumbed in machines)

Plumbed machines can switch between traditional and new pre-infusion phases.

semi-automatic paddle

Activated by the simple start and stop motion of the paddle on the grouphead, albeit with electronic pre-infusion.

water reservoir

A self-contained 2.5 litre water tank makes plumbing optional.

home app intergration

Control and monitor your Linea Mini from your smartphone.

rinse mode

Allowing efficient cleaning with customisable hot water duration.

convertible portafilter

Easy to clean and ready for any occasion, three-in-one convertible portafilter quickly changes between single-spout, double-spout, and bottomless.

The Linea Mini, re-imagined by La Marzocco to inspire both the seasoned barista and the curious explorer, turns every espresso moment into an experience. With updated aesthetics—including the Della Pietra Curve, soft touch accessories—and advanced workflow features like Brew-by-Weight, a new pre-infusion system, and easy pump pressure adjustment—the new Linea Mini blends tradition with innovation. Created to be a tool for those who dream of crafting the perfect espresso, and a companion for adventures at home and beyond. The Linea Mini looks as beautiful as it performs, ready to serve anywhere for years to come.
